

JOY A TOTAL BODY CARE SALON
6319 EAST U.S. HIGHWAY 36, SUITE 4
AVON, IN 46123
PRE-TREATMENT ADVICE AND PROCEDURES

1. Since delicate skin or sensitive areas may swell slightly, or redden, it is advised not to make social plans for the same day. Lips may appear "crusty" for up to one week.
2. Please do not wear your make-up to the procedure. If you are having lips or brows done, please bring your favorite pencils. Wear comfortable clothes.
3. If eyelashes or eyebrows are normally dyed, do not have that procedure done within 48 hours of the procedure. Wait 4 weeks after the eyebrow or eyeliner procedure before dying lashes or brows.
4. If receiving eyeliner remove false lashes.
5. Do not wax, tweeze or electrolysis for 24 hours prior to your procedure. Do not resume any method of hair removal for 7 days after the procedure.
6. If you wear contact lenses and are having eyeliner done, do not wear your lenses to your appointment and do not replace them until the day after the procedure.
7. If you are having lip color done and have had previous problems with cold sores, fever blister, or mouth ulcers, the procedure is likely to reactivate the problem. Medication for the problem should be taken 3 days prior to procedure and 5-7 days after.
8. I recommend allergy testing of the pigment 48 hours before the planned procedure.
9. Do not use aspirin or ibuprofen for 5-7 days prior to your procedure, unless proscribed by a doctor.
IF YOU ARE TAKING A BLOOD THINNER PLEASE NOTIFY SANDRA PIERCE (317-272-0377).
10. Do not drink alcohol 12 hours prior to procedure.
11. **IF YOU REQUIRE AN ANTI-BIOTIC PRIOR TO DENTAL WORK OR ANY INVASIVE PROCEDURE YOU WILL NEED TO TAKE ONE THE DAY OF YOUR PERMANENT MAKEUP PROCEDURE.**
12. PLEASE TURN OFF CELL PHONES DURING THE PROCEDURE.

I look forward to working with you. If you have any questions, please call or make notes so we can discuss them before you procedure.

Sandra Joy Pierce
President
